(DEPARTMENT OF PERSONNEL & TRAINING)
No. 36035/17/85 - Estt (SCT)

New Delhi,
Dated April 1, 1986.

OFFICE MEMORANDUM

Sub: Reservation for the Physically Handicapped persons in Group ‘C’ & Group ‘D’ posts/services under the Central Government.

The undersigned is directed to refer to the Department of Personnel & A.R., Office Memorandum No. 39016/6/77 - Estt (c) dated 4-11-1977 read with O.M.No. 36035/14/83 - Estt (SCT) dated 20-1-84 on the subject mentioned above and to say that the question whether the 3% reservation for the physically handicapped is to be computed on the basis of vacancies occurring only in the Group ‘C’ and Group ‘D’ posts which have been identified as suitable for the physically handicapped persons or on the basis of the total vacancies occurring in all Group ‘C’ and Group ‘D’ posts respectively has been reconsidered in the context of the need for speedy rehabilitation of the physically handicapped. It has now been decided that with effect from 1-1-1986, the 3% reservation for the physically handicapped in Group ‘C’ and Group ‘D’ posts shall be computed on the basis of total number of vacancies occurring in all Group ‘C’ and Group ‘D’ posts respectively under each Head of Department in a Ministry/Department/Office, although the recruitment of the handicapped would be only in the posts identified to be suitable for them, subject to the overall ceiling of 50% reservation in that post as laid down by the Supreme Court.

2. As 3% reservation shall now have to be computed on the basis of vacancies occurring in both the identified and non-identified Group ‘C’ and Group ‘D’ posts, and since there are no reserved points for the physically handicapped in the roster for non-identified posts, the instructions laid down in this Department’s office memorandum no.39016/20/80-Estt (c) dated 27th March, 1981, O.M.No. 36035/14/83-Estt (SCT) dated 20th January, 1984 and O.M.No.36035/4/84-Estt (SC) dated 10th September, 1984 for effecting and carrying forward the reservation for various categories of physically handicapped, through
3. In the beginning of each year, every appointing authority shall assess the number of vacancies, actual as well as anticipated, for making direct recruitment to the various posts/services under its administrative control. These vacancies shall be allotted on the separate rosters being maintained for different grades/categories in each office of the appointing authority for giving effect to reservations for Scheduled Castes/Tribes. In the cases of such vacancies occurring in posts identified as suitable for one or more of the categories of the handicapped, the appointing authority shall also work out the number of vacancies which could be reserved for the physically handicapped, after accommodating fresh and the carried forward reservation of Scheduled Castes/Tribes, within the 50% ceiling as laid down by the Supreme Court. This exercise shall be completed within the month of January itself and the appointing authority shall send a report to the Head of the Department by 31st January of each year intimating the following details about the vacancies available with it:

(i) total number of vacancies available and required to be filled by direct recruitment, specifying (a) name of the post, and (b) Groups to which it belongs (Group C or D);

(ii) whether the posts have been identified as suitable for the physically handicapped, and if so, for which sub-categories;

(iii) in case of identified posts, the number of vacancies out of (i) above which could be reserved for the physically handicapped after adjusting the fresh and carried forward reservations for SC/ST within the 50% ceiling.

If after this exercise in January, more vacancies come up during the recruitment year, they will also be reported to the Head of Department by each appointing authority as and when they occur so that the latter is in a position to reassess the computation of the reservation required to be made for the physically handicapped on a macro basis. If it is less on account of some anticipated vacancies of materialising, that also may likewise be reported to the Head of the Department so as to enable him to make necessary adjustment at his level.

All Heads of Departments shall maintain a separate 100 point Register for this purpose, in which each cycle of 100 points shall be divided into three blocks, comprising the following points:

<table>
<thead>
<tr>
<th>Block</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Block</td>
<td>No.1 to No.33</td>
</tr>
<tr>
<td>2nd Block</td>
<td>No.34 to No.67</td>
</tr>
<tr>
<td>3rd Block</td>
<td>No.68 to No.100</td>
</tr>
</tbody>
</table>

All the vacancies so reported by the different appointing authorities will be entered in this Register for each group of posts (Group C or D). The account shall be maintained on a year-to-year basis separately for Group 'C' or Group 'D' posts/services and will be closed on the 31st December of each year. For each Block of vacancies, there shall be reserved one vacancy for the physically handicapped in posts/grade identified as suitable for one or more of the categories of the physically handicapped. After computing all the vacancies and determining the reservation for the handicapped, blockwise, in the manner indicated above, the Head of Department will be required to distribute these reserved vacancies for the handicapped among different appointing authorities in the light of availability of vacancies in the identified categories under the various appointing authorities. Care should also be taken that 3% reservation for physically handicapped is, as far as possible, distributed equally among the three sub-categories, i.e., the Blind, the Deaf and the Orthopaedically Handicapped, consistent with the appropriate identification. If the number of vacancies is such as to cover only one or two, discretion as to which category of the handicapped should be accommodated first should vest in the Head of Department, who should decide on the basis of the nature of post, the level of representation of the specific handicapped category in the concerned grade/post, etc. In the event of the reservation not being utilised in the same block in which it fell due, it shall be carried forward to the next block or blocks as the case may be in the same year. In such exigencies where the reservation could not be utilised in any of the blocks during the year, the same shall be carried forward in the subsequent three recruitment years at the end of which the reservation shall be deemed to have lapsed. Mutual exchange in the event of non-availability of specific handicapped category would be permissible according to the instructions contained in this Department's O.M.No.39016/67-Istt (C), dated 4-11-1977 and O.M.No.39016/20/80-Istt (C), dated 30-12-1980.

5. After the reservation for the physically handicapped has been computed in the above manner, the Head of the Department shall inform the appointing authority of the specific category of handicapped who should be appointed in an identified post or grade, against the total distributed vacancies for each appointing authority. The appointing authority shall take on all the vacancies in the respective 40 point/100 point rosters being maintained for effecting reservation for Scheduled Castes/Scheduled Tribes for posts under its control. In the rosters for the posts identified as suitable for the physically handicapped, and in which vacancies are proposed to be reserved for this category as per the computation made and intimated by the Head of the Department, such number of vacancies to that extent required shall be reserved for the physically handicapped after adjusting the fresh and carry forward reservation for SCs/STs but subject to the overall 50% ceiling as laid down by the Supreme Court.
6. After the appointment has been made against such a reserved vacancy for handicapped, the appointing authority shall furnish a compliance report to the Head of Department to facilitate the latter in assessing the quantum of carry forward as indicated in para 4 above in case of non-availability of physically handicapped candidates to fill up the vacancies reserved for them. In case, any of the reserved vacancies for physically handicapped is filled by the appointment of a person from any of the sub-categories, the reservation would be deemed to have been utilised in pursuance of the principle of inter-se exchange.

7. For the year 1986 the procedure laid down in the previous paragraphs may be followed immediately as if the assessment of vacancies is being made in the beginning of 1986 taking into account the vacancies including those which have arisen in 1986 and already filled up. The appointments of handicapped persons already made in accordance with the roster points as per instructions existing prior to the issue of this O.M may be adjusted against vacancies to be reserved for physically handicapped persons on the basis of the instructions contained in this O.M. After such adjustments the appointing authorities may be intimated the details of the vacancies to be filled up as instructions contained in para 5 of this O.M.

8. Ministry of Finance etc. are requested to bring the above instructions to the notice of all the Heads of Departments and appointing authorities under their control for necessary compliance and also ensure that the reservation as provided in the above manner, is effectively monitored to cut down on all possible delays.

Sub : Reservation of posts for the physically handicapped persons in Group ‘C’ and ‘D’ posts/services under the Central Government

The undersigned is directed to say that the question of reservation of posts in the Civil Services for the physically handicapped persons has been under consideration of the Government for some time. While the number of persons physically handicapped in various ways is considerable, the question under consideration has been confined for the purposes of employment of the blind, the deaf and the orthopaedically handicapped persons. The President is now pleased to decide that the reservations in Group C and D posts/services for the physically handicapped persons listed below should be made to the extent indicated against each:

<th>Percentage of reservation</th>

</tbody>
</table>

2. The categorisation of the physically handicapped persons for purposes of reservations in employment will be on the basis of definition furnished in the Annexure attached to this office memorandum.

3. The reservation of posts should be made separately for each of the aforesaid three categories of the physically handicapped persons but provision may be made for inter-se exchange of vacancies if candidates belonging to a category of persons are not available or if the nature of vacancies in an office is such that a given category of persons cannot be employed. If in any year, the vacancies reserved for those categories are not filled, the reservations should be carried over a period of up to two recruitment years. In order to implement these reservation orders, the jobs which can be performed by various categories of physically handicapped persons without loss of productivity, should be identified by the Ministries/Departments concerned.

OFFICE MEMORANDUM
F.NO. - 36035 / 16 / 91- Estt. (SCT)

Sub : Reservation of posts for the physically handicapped persons in Group ‘C’ and ‘D’ posts/services in Government - revised procedure for filling up the vacancies.

The undersigned is directed to refer to the DOPT O.M No.36035/17/85-Estt. (SCT), dated 1-4-86 on the subject mentioned above and to state that the Govt. had under consideration the method of effecting the 3% reservation for physically handicapped persons in the light of the judgement of the supreme court in Indira Sawney case (W.P.No.930 of 1990). The court has held that reservation for SC/ST/OBCs may be called vertical reservation and the reservation for physically handicapped persons as horizontal reservation. Horizontal reservations cut across vertical reservation (in what is called interlocking reservation) and the persons selected against the physically handicapped quota have to be placed in the appropriate category; if he belongs to SC category he will be placed in that quota by making necessary adjustment and similarly if he belongs to open competition (OC) category he will be placed in that category by making necessary adjustment. Even after providing for these horizontal reservations, the percentage of reservation in favour of backward class of citizens should remain the same.

2. In the light of the above said observations of the Supreme Court, it has been decided that the physically handicapped persons selected under the reservation provided for them should be placed in the appropriate category viz., SC / ST/OBC General Category depending upon the category to which they belong. For example, if in a given year there are 200 Group C vacancies, the reservation for SCs will be 54 and for General Category it will be 101. The vacancies reserved for physically handicapped will be calculated as per the instructions on the subject contained in O.M, dated 1-4-86. Suppose the vacancies for the physically handicapped in that year come to 6 and of the 6 physically handicapped candidates selected, 1 belongs to the SC category 1 to the ST category, 2 to the OBC category and 2 to the General category, then the one physically handicapped SC candidate will be adjusted against the 30 SC vacancies, the one physically handicapped ST candidate will be adjusted against the 15 vacancies and the 2 physically handicapped OBC and General category candidates against the 54 OBC and 101 General Category vacancies respectively. The Roster points will be filled up accordingly. The vacancies reserved for the physically handicapped should be indicated along with the other vacancies so that the physically handicapped candidates can also supply along with the others.

All the Ministries/Departments are requested to bring the above instructions to the notice of all the Heads of Department and appointing authorities under their control for necessary compliance.
